

The MBA Varsity Girls Hockey team travelled to Detroit Lakes for a face off against the DL Lakers on 12/18/07.

The Storm showed early signs of being tired. MBA Hanah Horecka had an awesome game stopping a total of 18 shots. The Storm appeared to struggle with their skating and handling the puck.

The Storm Dani Schultz was called for tripping two minutes into the game. Laker Nielsen followed with 12:03 on the clock for roughing. Both teams would have another penalty MBA Lindblad for interference at 7:31 and Laker Harms for tripping at 3:04. There would not be any scoring for either team as they both could not keep the control of the puck and neither were able to put together any power play during the penalties. Shots for MBA 6 and DL 7 and the score would stay 0 to 0.

The second period had neither team doing anything in the scoring division. MBA Knutson was called for interference at 6:56. The shots on the goalies would be the same as the first period 7 for DL and 6 for the Storm.

Moving into the third period the Storms attempt to step it up kept the fans hoping for a goal to avoid the overtime. DL Ornquist was called for tripping at 7:43 MBA Lindblad behind the net in the fight for the puck. Then the good fortune of a second penalty on DL Harms at 6:33 for hooking MBA Staples down along the boards gave the Storm an small window advantage with the Lakers down two skaters on the ice. The power play got the Storm shots on net but no puck would cross the goal line for the score. With :29 on the clock the Lakers lost control in the Storm zone and MBA Emily Rajewsky skated the puck down the ice for the unassisted goal. MBA had the one goal lead. DL Lakers pulled their goalie and attempted the rush on the net but MBA Schultz, Staples, Anderson, E Rajewsky and Mahoney kept the puck away from the net to end the game with a 1 to 0 win. Shots in the last period for DL 4 and the Storm 10. The Storm will meet DL again in their Holiday Tournament in Willmar Dec 26 - 28.
