

Morris Hockey Association News

WEBSITE

Have you checked our website at mbastorm.com? You will find some very useful information such as newsletters, schedules, equipment fitting guide, how to dress your hockey player guide (under Forms/Handbook), game stories/pictures, and carpool information (under each teams individual practice schedule page). The site will also be used to relay urgent information such as cancellation of practices/games, clinics or any change of time information. We hope this will be a valuable tool for our association.
